

## Panther Tracking System

Panther Track can be used in many different applications such as private and work vehicles, earth-moving equipment, mining vehicles, buses, caravans, motorcycles, boats, jet skis and anything else which has or can have a battery fitted. Panther Track features Multi Reports which allow you to monitor speed, mileage and time in operation, Electronic Logbooks, Tracking Records for up to six months, affordable tracking costs and many other features.

Panther Track is proud to offer our Limited Lifetime Warranty & Product Guarantee on all their GPS tracking devices, giving you peace of mind for yourself and/or your business. In the event that their product fails as a result of manufacturing defect or breakdown, they will repair or replace your device free of charge for as long as the device continues on one of their service packages uninterrupted. It's that simple!
