

## Tyre Pressure Monitor System

Enjoy peace of mind on the road and save time and money by prolonging your tyres lifespan, improving fuel efficiency and protecting passengers. Designed for ease of use, this solar powered tyre pressure monitor system is ideal for passenger or commercial vehicles.

### SPECIFICATIONS

#### **MONITOR:**

- Solar Powered
- Reliable & Easy to Install
- Can Detect up to 5 Sensors
- Automatic Backlight
- Automatically wakes when vehicle starts moving
- Configurable High/Low pressure warnings
- Configurable High temperature warnings
- Visible and audible alerts
- Selectable pressure units: PSI or BAR
- Selectable temperature units: °C or °F
- Monitors up to 5 tyres
- Displays pressure or temperature of 4 tyres simultaneously
- Brightness Sensor

#### **SENSORS:**

- Reliable Cap Type
- Easy to Install
- Water Resistant
- Replaceable Sensor Batteries (approx 2-year battery life)
- Sensors transmit pressure and temperature data every 5 minutes
- Fast Leakage Alert
- Individually Coded Sensors
- Anti-theft Design
- Pressure Range: 0 to 87 PSI
- Pressure Accuracy:  $\pm 1.5$  psi
